

GENERAL LASER

THE TRUSTED INDUSTRY PARTNER

PROUDLY AUSTRALIAN OWNED & OPERATED - ESTABLISHED SINCE 2002

THE TRUSTED INDUSTRY PARTNER

General Laser are a trusted industry partner, a reputation we value and never take for granted. We are a team of experienced and qualified professionals, craftsmen and industry savvy people that are focused on delivering consistent high quality friendly customer service and finished products that exceed all customer expectations, delivered on time to budget. No need to compromise.

Company Owners Andrew Miles and Radley De Los Reyes have a combined industry experience and knowledge base that spans well over 40 years.

General Laser are small enough to care and large enough to handle the big projects.
